

EAGLE-Net Alliance
NON-DISCRIMINATION and INTERCONNECTION PRACTICE

The EAGLE-Net Alliance (“EAGLE-Net”) adheres to the Nondiscrimination and Interconnection Policies principles contained in the FCC’s Broadband Policy Statement (FCC 05-151 adopted Aug. 5, 2005).

EAGLE-Net will not favor any lawful Internet applications and content over others and will provide notice to customers of changes to these policies. EAGLE-Net will allow connection to the public Internet directly or indirectly, such that it is not an entirely private closed network; and offer interconnection, where technically feasible without exceeding current or reasonably anticipated capacity limitations, on reasonable rates and terms to be negotiated with requesting parties.
